Great news for worship! We are now able to sing hymns, and all of our Sunday services are back in the Sanctuary! We still need to stay masked and keep a safe distance. I know for many that it has been difficult to not sing during worship. Over the past year we have come to appreciate so many of the things we have taken for granted. We are also increasing by a small amount the number who can safely gather in our Sanctuary. We still would like you to let us know which Easter service you will be attending so that we will know if we are coming close to the limit. Our concern during the pandemic has been, and continues to be, keeping everyone safe. Many thanks to the health team and church council who continue to be diligent in making decisions to keep all of our members and staff safe.

Easter Joy

Life...light...joy...new...resurrection...transformation...celebration...these are words of hope and promise. These are words of Easter! We begin the month of April on Maundy Thursday. We journey with Jesus in the first three days April, through the last supper, the washing of the disciple's feet and then Jesus's arrest, trial, and crucifixion. It looks like it's the end not only for Jesus, but for the hope his followers had in him.

We already know the Good News. The cross was not the end. And so, on April 4th, Easter, we will celebrate with great joy the resurrection of our Lord Jesus Christ. We will celebrate the promise that sin, darkness, loneliness, sickness, pain, conflict, injustice, not even death will have the final word. Instead, the final word is life. The promise that the love of God in Jesus Christ has overcome death and darkness and given us new life now and forever. Easter is the Good News we need to hear over and over again.

Last Easter we couldn't gather together in the Sanctuary. This year I hope you will join with your friends in Christ to celebrate the Good News of Easter in person at 7:00 a.m., 8:30 a.m., or 10:30 a.m. While masks and distancing are still required to keep us safe, what joy it will be to see one another. What joy it will be to sing and praise God together for all God has given and done for us.

Our Savior's is looking for a part-time Church Business Administrator to coordinate daily financial and business operations. Knowledge of accounting practices, record keeping, and working with Microsoft Excel, QuickBooks and/or church financial software is needed for this position. If interested, please submit a resume to Our Savior's Lutheran Church, CBAresumeosl@gmail.com.

Every year we honor the 6th graders of the Our Savior's Children's Choirs by presenting them with their very own, embossed hymnal. Due to the Pandemic we were not able to present the hymnals last spring. So this year we are honoring our 6th and 7th graders. When we've been able to have Choir, these young people have memorized many anthems and hymns, learned liturgies, and have spread the Gospel by presenting wonderful musicals each year. This year we weren't able to meet and we've missed them greatly!

Their involvement in the Children's Choirs has meant that they have been strong worship leaders and I couldn't be more proud of them. – Shannon

The 7th Graders honored are:
