

# FAITH 5

January 11, 2015: Elijah and Elisha

Have each person in the family say the best part of their week and the worst part of their week.

1 Kings 17-19

### Do together:

Have everyone go around the table and list their favorite food. If you want to lengthen this activity you can have the children use paper and crayons to create a menu of their favorite foods.

### Think about:

When Elijah went on a long journey, how did God take care of him? If you were on a long journey, what would you want God to do for you? God keeps us safe all the time. Sometimes he keeps us safe when we are not even thinking about it. Name one thing today that you know God did for you that you didn't even think about at the time.

God, thank you that you show us in your Bible how you take care of those who love you. Thank you that you take care of us too. So many times you do things for us that we do not even know. Help us to remember you in those times and to remember to thank you for all you do. In Jesus' name, Amen.

Bless each person in your family in your own special way. (Examples: a hug or a kiss, a cross or heart on the forehead, or whatever your family chooses!)
