## **Happy New Year!!**

**A**s we enter 2015, it is cold and dark outside. Many of you will travel to warm weather, but most of us here at OSLC will be bundling up until spring. We have many good things planned to keep us warm at Our Savior's this year. We continue studying "The Story" and following the events of the Bible. Are you amazed how long the Old Testament is? After some dark and dreary battles, we'll finally begin the stories of Jesus. Just about when the warmer weather brightens up our days, we'll be focusing on Jesus' ministry in worship, Sunday school and adult education.

## **Looking Back**

I am very pleased with all the work our incredible staff and volunteer leaders have done in 2014.

**Thank you** to everyone for sharing your time and talent to glorify God. Last month I reviewed highlights of 2014, and December was no exception. In December we:

- Celebrated Christ's birth in four Christmas services attended by over 900 people
- Sent 42 folks between ages of 10 and 85 to pack 27,000 meals at Feed My Starving Children
- Experienced many "holy" musical moments in the Children's Christmas program and Christmas cantata
- Met our financial giving goal for 2014 with nearly \$70,000 in offerings to the operating fund. Thank you for your generous gifts!

## **Looking Ahead**

In 2015 we will do more planning for our future. As your Senior Pastor, I believe we have two major goals for the future:

- **Grow Deeper and Wider in Faith:** As followers of Jesus Christ in the changing culture we are called to continue to listen to the spiritual needs of our community and create strategies to grow in faith and mission for all ages. We can all grow deeper in our relationship with God, our serving, giving and sharing our faith with the world.
- **Work Smarter:** I believe it is time for Our Savior's to review the leadership processes that govern and manage planning for our future. I expect this will involve creating a long term strategic plan, updating our constitution and reorganizing our board structure. A small team has begun work on this at the direction of the council. More will be shared as plans unfold.

Please join us at the Annual Meeting on February 1 immediately after worship in the Social Hall. At this meeting we will review the budget and look ahead to our future as followers of Jesus Christ.

## *Ministry Focus*

*Children's Choirs of  
Our Savior's will be presenting  
a musical...*

### **Me Oh My Oh Nehemiah!**

On the weekend of February 22<sup>nd</sup> and 23<sup>rd</sup>, the children's choirs of Our Savior's will be sharing the story of Nehemiah with the congregation during our Saturday and Sunday worship services.

Nehemiah was a man that cared deeply for his people and knew in his heart that he had to do something about the pain and suffering that was happening to the Jewish people in Jerusalem. This is the story of how Nehemiah overcame many obstacles to restore the walls of Jerusalem and brought his people back to God.

The choirs are having a lot of fun learning the songs and dances, but we've also learned that the real problem was not the destroyed walls around the city. God's people had been unfaithful and had neglected their relationship with God. The Wall was a visual reminder of that and Nehemiah gave the people hope and brought them back to their faith.

Please come and see our children teach us all some important lessons.

## **THANK YOU FOR SERVING!!! BOARD MEMBERS AND LEADERS!!!**

Stewardship Update  
 "They gave themselves first to the Lord."  
 Corinthians 8:5

Thank you for the great response to our Stewardship campaign for 2015. Your planning makes our planning for ministry at Our Savior's much easier. We're happy to report an increase in pledges for 2015.

	2013	2014	
Total dollars pledged to operating	\$262,688	\$311,676	+19%
Number of Pledges	142	163	+15%

We continue to need your estimates of giving. In 2014, only 55% of total giving to operating was pledged. The better we understand our financial resources, the more effectively we can plan for our ministries.

The best tool for giving is to sign up for automated giving! Check the website and sign up today!

Your Stewardship board

If weather is in question, please listen to KNUJ, Z99, or WCCO radio for cancellations and postponements. The church council has determined that as a congregation we will follow weather and travel recommendations. For midweek classes and programs, we'll follow the lead of the public schools. If ISD 88 dismisses early, choirs and confirmation will not meet.

## Heart to Home Furnishings is currently short on a few items.

We currently are in need of:

- full size or twin size beds (box spring and mattress sets) in good condition; Bed frames to fit are helpful as well.
- lamps (floor lamps or table lamps);
- night stands and end tables;

We have one family requesting a refrigerator, which Heart to Home does not generally accept, but we could be a go-between if someone has one in good working order.

Your assistance is appreciated and we thank you for your on-going support.

How can a support group help with my grief? The adult grief support group can offer support, friendship, information and an opportunity to talk or listen with others who are grieving.

The group explores topics such as sharing your story, identifying and expressing feelings, exploring unfinished business and more. Talking through these topics often helps participants begin to work through their grief.

Schedule: The group will meet on Mondays, February 2-March 9, 2015 from 4:30-6:30 p.m. in the hospital's west conference room. There is no cost to participate. It is important that participants attend all six sessions if possible.
