Because of You, Our Church Changes Lives

And God is able to provide you with every blessing in abundance, so that by always having enough of everything, you may share abundantly in every good work. 2 Corinthians 9:8

We have been changed by God's grace and love. Through us and our ministries, God is changing lives and blessing others. God has blessed each one of us with many gifts and we are called to share our blessings of time, abilities, and money to be a blessing to others.

God is the source of all that we are and have – our good ideas, energy, time, efforts, talents, results, and money. Stewardship is about managing all of these gifts that God has given us. God calls us to manage these gifts in a way that helps us live out our daily callings as family member, neighbor, worker, volunteer, and church member. As you do that, God is at work changing lives in big and small ways.

Our Savior's is not complete without you and the gifts you share. Please prayerfully consider where you can share your talents and abilities in the ministries of Our Savior's.
